OFFICE OF LEGISLATIVE COUNSEL

Thursday - 30 April 1964

25X1 1. [] In the absence of Senator Dodd, I spoke with his Administrative Assistant Mr. James Boyd and told him that as I had indicated yesterday, we had worked with Jay Sourwine in preparing a suitable response, that no problems were encountered and we appreciated the Senator's offer of assistance. Mr. Boyd said he would advise the Senator.

25X1 2. [] At his request, I met with Walter Fitzpatrick, on the staff of the Select Committee on Government Research. Mr. Fitzpatrick said that the Committee has been in touch with Government departments and agencies asking them to complete questionnaires covering research grants or contracts which they have negotiated. He said the thought had occurred to him that the Agency should be canvassed on this matter and make an appropriate contribution. I advised him that I was quite certain that anything the Agency had in this area was within the classified field but I would look into the matter and be in touch with him. Fitzpatrick said he would appreciate anything which we could contribute which was unclassified but did not wish to become involved in any classified material. I said I would be in touch.

25X1 3. [] Mrs. Pearson in Congressman Leslie Arends' office called on behalf of the father of an applicant []
25X1 [] Apparently the father is a long-time friend of Arends and
25X1 wished to inquire about the case without his daughter's knowledge.
Apparently [] had been interviewed and was in process for employment. I told Mrs. Pearson I would look into this and advise.

25X1 7. [] Met with Mr. Jerry L. Goodman, Assistant to Senator J. Howard Edmondson, concerning a constituent letter from one [] of Tulsa, Oklahoma, concerning the [] Mr. Goodman readily understood and appreciated the Agency's inability to comment and appeared sincerely appreciative of Agency assistance in providing a copy of the State Department release of April 1964 for use in responding to the constituent.
